Bridging the Gap

SUPPORTING STUDENTS' TRANSITION TO COLLEGE

Bridging the Gap is an annual training event held on the Auraria Campus that connects high school counselors, college navigators and community partners directly to college staff.

This interactive training provides the information, resources and personal connections necessary to better navigate the college system, improve practices, and increase the number of students successfully starting, persisting, and ultimately completing college.

Unique Value

- Convene DPS, Auraria Campus institutions, Emily Griffith Technical College and attainment-focused community partners
- Student scholarships, Resource Fair and direct connection to college staff
- Networking and professional development
- Creates structure to address hurdles students face in getting to college

Topics

- Financial Aid
- Navigating the Student Portals
- Critical College Updates
- Serving Historically Underrepresented Students
- Concurrent Enrollment
- Relevant Access and Persistence Topics
